

## Introduction

is preparing to earn the Military School-Age Associate Credential.

The MSA Credential is awarded by the Department of Defense through the Council for Professional Recognition (the Council), located in Washington, D.C. To be awarded this credential, the candidate has taken on a significant professional challenge that assesses their experience and education. The MSA Credential is awarded to competent adults who have demonstrated their ability to meet the needs of youth and families on a daily basis. The process of earning the MSA provides an experience for the candidate to identify areas of strength and improvement needed through self-assessment and feedback from their local assessment team and the families of the youth in their care. We invite you to complete this questionnaire, to provide your important feedback to help the candidate continue to grow as a professional.

Please know that:

- Completing this questionnaire is optional. If you choose to complete it, your feedback will only be read by the candidate and the local assessment team in order to contribute important information that may assist in evaluating the candidate's work.
- You may provide your feedback anonymously if you choose.

If you choose to complete the questionnaire, you must return it to \_\_\_\_\_\_
